Open Carry is Legal in Michigan

Bill of rights - Amd II:

A well-regulated militia being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed.

MI Constitution - A.1 S.6:

Every person has a right to keep and bear arms for the defense of himself and the state

- All local laws and ordinances concerning firearm possession were preempted (overruled) by the state in 1990 (MCL 123.1102).
- In a free society, Open Carry is legal anywhere not specifically prohibited by law. I carry to protect myself, my family, and my society. In the face of any violent crime, I will not be a statistic. I will stand up for and exercise my rights.
